- D. What sources did you use? Options include - web searches, library searches, interviews with experts, blog entries, movies.
- E. What sources did you use? Options include - web searches, library searches, interviews with experts, blog entries, movies.

### **II. The Results of My Search**

- A. Your first heading (from your KWL chart)
  - 1. info from your note cards that you want to include here
  - 2. info from your note cards that you want to include here
  - 3. info from your note cards that you want to include here
  - 4. info from your note cards that you want to include here
- B. Your second heading (from your KWL chart)
  - 1. info from your note cards that you want to include here
  - 2. info from your note cards that you want to include here
  - 3. info from your note cards that you want to include here
  - 4. info from your note cards that you want to include here
- C. Your third heading (from your KWL chart)
  - 1. info from your note cards that you want to include here
  - 2. info from your note cards that you want to include here
  - 3. info from your note cards that you want to include here
  - 4. info from your note cards that you want to include here
- D. Your fourth heading (from your KWL chart)
  - 1. info from your note cards that you want to include here
  - 2. info from your note cards that you want to include here
  - 3. info from your note cards that you want to include here
  - 4. info from your note cards that you want to include here

### **III. Reflection on My Search**

- A. What did you learn about your topic from your search?
- B. What did you learn about the research process during your search?
- C. What did you learn about writing during your search?

### **IV. Works Cited**
